 'G' ARLETTA 4.00

many copies have a manuscript "0,80"

Rimborso Carta 22 x 32 mm P11.5

These issues are very complex to sort out without large multiples. It appears that three different fonts were used and at least four different central emblems were used in various combinations. Size also varies. *This group all have at least 1 side and top or bottom perforated.*

I suspect that all emblems were used in the same sheet. Two different sheets could exist.
